

Welcome to AMO RIDES

An Eco Concept to Employee
Transportation

What We Offer

Here at AMO RIDES, we have a simple concept to provide safe and reliable transportation to and from work.

- One the largest burdens in gaining and keeping employment is transportation.
- Our company strives to be the best employer ride sharing program ever.

Meet Our Team

Our team consists of 6 great future leaders in the IT industry!

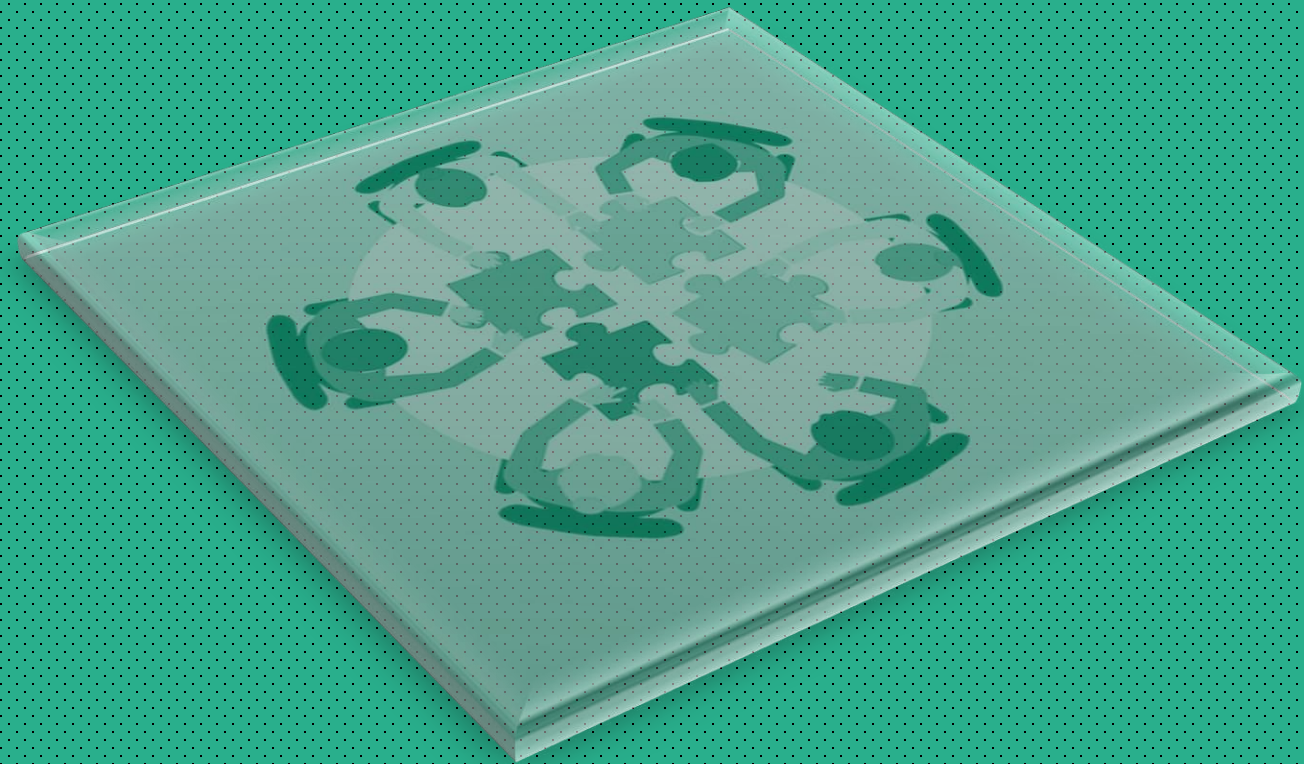

- Each of us has worked tirelessly to complete this venture and bring our concept to life.
- As each team member is currently a KSU student, a little background info is provided in the following slides...

Meet Our Team Part 1

- Anthony, is pursuing an Associates in Information Technology and plans on becoming a Network and Systems Administer. His strong interest and knowledge in computers has been valuable to our mission.
- Bobby, is majoring in Information Technology and currently works in telecommunications. He plans on completely transitioning to the IT Department in the future.
- Conner is majoring in Information Technology and currently works at KSU as a Desktop Support Specialist. His future plan is to become an IT Support Analyst.
- Jenn is majoring in Information Technology and will pursue a Master's in Public Administration. She hopes to create systems that better serve in the area of Public Interest Technology.

Meet Our Team Part 2

- Lyndsey may switch her major from Networking to Programming so she can be creative with web design. Lindsey's future career would be thinking of creative ideas and problem solving wherever she goes!
- Stephen is pursuing a degree in Information Technology and his concentration is Cybersecurity. In the future, he plans to work as a Penetration Tester in Cybersecurity.
